INT/EXT POSTING

Casual Instructor Indigenous Land Stewardship

NEC Native Education College has led Indigenous post-secondary learning in Vancouver for more than 50 years. It also works with First Nations and Aboriginal organizations throughout British Columbia. We strive to combine academic excellence with a strong commitment to First Nations' community-based education and the best practices of adult education. Our programs use Indigenous content and offer credit transfer to universities.

The Indigenous Land Stewardship (ILS) certificate program readies students for employment or further post-secondary education in land and resource management.

The ILS and ILS Online programs are seeking instructors immediately to replace an unexpected midstream vacancy (preferably one instructor to teach both courses). The same successful applicant will be considered for a position next term which begins in January 2022
